EDUCATION

Bachelor of Technology, GLA University, Mathura	May 2023
Intermediate, S.R.G.M. Sr Sec School , Agra	May 2019
High School, S.R.G.M. Sr Sec School, Agra	May 2017

INTERNSHIP EXPERIENCE

The Sparks Foundation <i>Android Developer Intern</i>	Aug 2021 - Sep 2021
---	---------------------

- Created banking application with basic functionalities of users, transactions and particular user's history.
- Used SQLite database for storing data internally inside the user's device.

Technophilia, IIT Bombay <i>Android Developer Intern</i>	May 2021 - June 2021
--	----------------------

- Became technically sound and learned much more in the field of android development and front-end designing..
- Learned about API's and how to integrate them into applications.

PROJECTS

SAW(Stray Animal Welfare), India	May 2021 - June 2021
---	----------------------

- This project is based on stray animal welfare and facilitates us to find a nearby animal shelter for the same.
- It uses the device's location, searches nearby and provides a list of nearby animal shelters and organizations that are fighting for the same cause.
- I have created an excellent user interface with the use of **Google Places Api and Google Maps Api** to provide the best search results as efficiently as possible.

SKILLS

Technical

- Object Oriented Programming with hands-on experience in java development in android..
- Front-end web development using html, css,and javascript.

Professional

- Effective communication and analytical skills.
- Ability to identify and solve problems effectively.

EXTRA/CO-CURRICULAR ACTIVITIES

- Coordinated Drone Heaven (Drone flying competition) under the aegis of Aeromodelling Club, GLAU.
- Worked as deputy head in event management team in Aeromodelling club, GLAU.
- Went to Kendriya Vidyalaya, Mathura to give students insight about the emerging technologies in the field of drones.

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
